## Support Groups

**Al-Anon Family Groups**

*Location depends on selected meeting.  
There are meetings hosted all over the US.*

<https://al-anon.org/>

**Services:** Al-Anon is a mutual support program for people whose lives have been affected by someone else's drinking. By sharing common experiences and applying the Al-Anon principles, families and friends of alcoholics can bring positive changes to their individual situations, whether or not the alcoholic admits the existence of a drinking problem or seeks help.

Alateen, a part of the Al-Anon Family Groups, is a fellowship of young people (mostly teenagers) whose lives have been affected by someone else's drinking whether they are in your life drinking or not. By attending Alateen, teenagers meet other teenagers with similar situations. Alateen is not a religious program and there are no fees or dues to belong to it.

**Adult Children of Alcoholics &  
Dysfunctional Families World  
Service Organization**

*Location depends on selected  
meeting. There are meetings hosted  
all over the US.*

<https://adultchildren.org/>

**Services:** We were all profoundly affected by the dysfunction in our families of origin, whether alcohol was present in the home or not. Consequently, we developed a set of "laundry list" traits that helped us survive that experience. These traits may have been adaptive at the time, but have now come to substantially disrupt our lives. ACA is a spiritual program, not a religious program. The only requirement for membership is a desire to recover from the effects of growing up in an alcoholic or otherwise dysfunctional family. ACA has no membership fees. Since each meeting is autonomous, and each meeting can be a different experience, we recommend that if your first meeting is not a fit for you, try other meetings before deciding if the ACA program can be helpful in your journey from discovery to recovery.
